Ornamentalism How The British Saw

Ornamentalism: How the British Saw their Empire

particular proposition is that in the high days of British imperialism, that is from about 1850 to about 1950, the history of the empire and that of Britain were brought together by a British commitment to reproduce overseas the kind of hierarchical society that, Cannadine believes, existed in Britain

REVIEWS

the British had to overcome the wide range of differences between the colonial nations - otherness - by building on what they knew and understood of their metropolitan area The British government-tal elite saw its own community as a multi-faceted and multi-layered hierarchy and projected this on to the colonies Cannadine identi-
