All the Devils Are Here goes back several decades to weave the hidden history of the financial crisis in a way no previous book has done. It explores the motivations of everyone from famous CEOs, cabinet secretaries, and politicians to anonymous lenders, borrowers, analysts, and Wall Street traders. It delves into the powerful American mythology of homeownership. And it proves that the crisis ...

The New Jersey Devils took to the ice after over 300 days for their first game and played an awful first period against the Boston Bruins. But Mackenzie Blackwood was on point and the Devils surprised many to battle back to force overtime and a shootout, where they lost. This post recaps the first game of the Devils' 2021 season.
