" Again another update - I ' m due my 3 Month review I ' m the next 2 weeks and a week ago I ' d have said I need it increasing (I ' m on 20mg) But this last week ITS KICKED IN! I cannot tell you the relief and elation I feel now. Life feels good again, and I don ' t even have to try and make it good. It just is. Please please hang in there. If it ' s unbearable then talk to your GP - you may ...

[Grieving in the Second Year After a Loss - Grief In Common](#)

It has been 2 months, and the pain is unbearable. My faith in God and loving family and friends are faithful in their support, and I am grateful, but nothing at this time removes or lessens my grief. Sometimes I feel like people don't get it...I want to scream and say, "I just lost my best friend, my lover, my life. NO, I AM NOT OKAY." I know he wouldn't want me to be crying and so lost, so I ...

2) You Were There From The Beginning Till The End . Many of us buy or adopt our canine friends as puppies — 2-4 months old. We watched them as they grew up, became a defiant adolescent, mellow down with age, then eventually, grow old, and die. We learn the entire life cycle of birth, old age, sickness and death through them. They are our windows to the realities of life, of impermanence ...
